

AT THE CORE OF AI TECHNOLOGIES

Grenoble Alpes is a leading ecosystem for micro and nanoelectronics and a center of excellence for IT and applied mathematics.

 **46,000**
JOBS IN IT
including **5,500**
IN PUBLIC RESEARCH

The perfect balance between Hardware and Software

GRENOBLE ALPES, A UNIQUE HUB TO DEVELOP AI PROJECTS...

Leading edge Research:

- 1,500+ researchers related to AI
- 1,600+ scientific publications in the top 10 key journals & conferences

Talented people trained to develop AI solutions:

- #1 French university (31st worldwide) in Computer Science and Engineering
- 200+ masters in AI delivered/year
- Best French engineering school in Computer and Applied Maths programs

Naver Labs Europe
has chosen
Grenoble Alpes
to develop the
BIGGEST
AI industrial
research center
in France

CHOSEN AS ONE OF THE FOUR FRENCH INSTITUTES FOR ARTIFICIAL INTELLIGENCE MIAI@GRENOBLE ALPES IS A PUBLIC/PRIVATE PARTNERSHIP WITH A € 17M/YEAR BUDGET

Objectives:

- Organize a world-class interdisciplinary research network
- Train students and professionals in leading-edge AI research
- Propose AI solutions for large companies, SMEs and startups
- Communicate and interact with the public on AI and its impact on society

Research Fields:

- Learning and Reasoning
- Perception and Interaction
- Hardware and embedded architectures for AI
- AI & Society

Areas of Application:

- Health (personalized medicine, medtechs...)
- Environment & Energy
- Industry

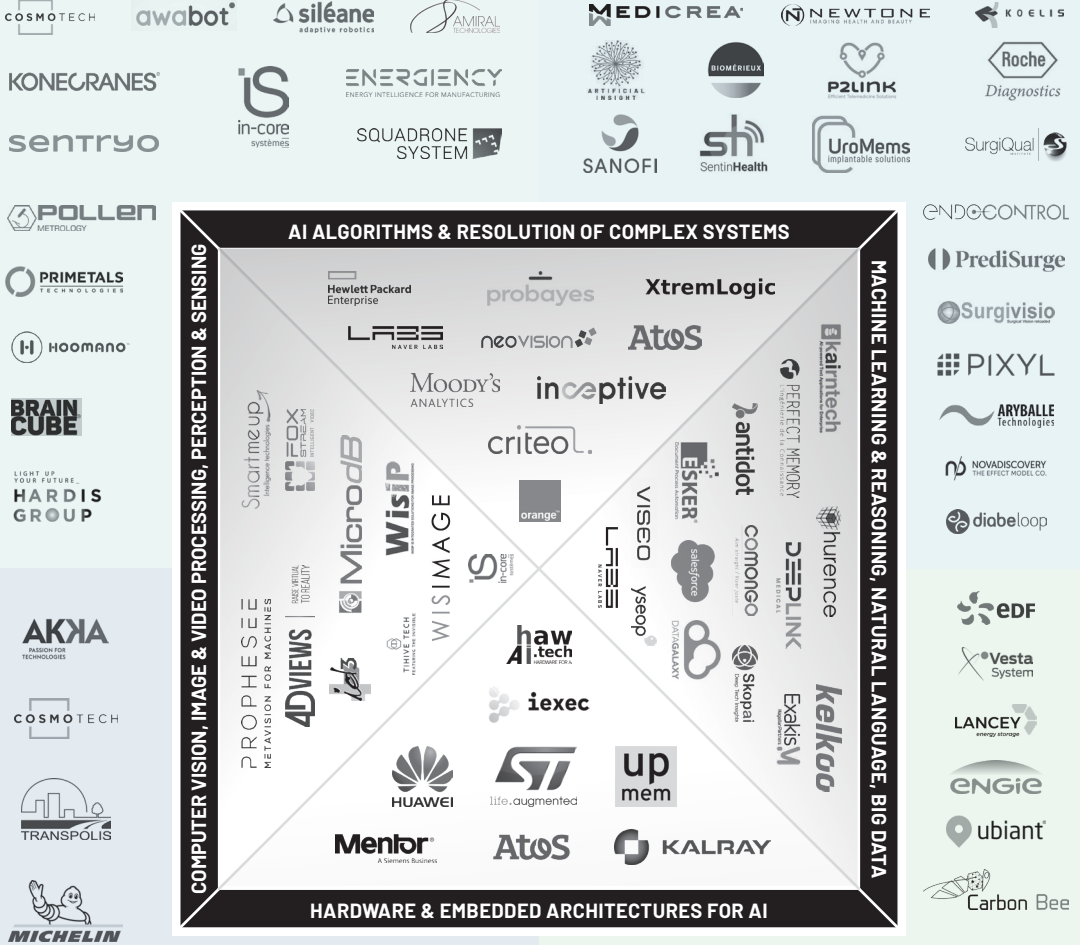

... AND SEIZE NEW OPPORTUNITIES FOR BUSINESS

**FROM THE MOST ADVANCED CORE TECHNOLOGIES
TO MULTIPLE APPLICATION SECTORS**

INDUSTRY & ROBOTICS

HEALTH

Medical imaging, Computer assisted surgery, Medical devices, Autonomy & Monitoring of elderly patients...

AUTOMOTIVE & TRANSPORTATION

Autonomous vehicles, Vision & ADAS,
Embedded software & Sensors...

ENERGY & ENVIRONMENT

THE RIGHT CHOICE FOR YOUR BUSINESS

Invest in Grenoble-Alpes is dedicated to support French and foreign companies to successfully develop their business in Grenoble Alpes area.

We provide tailored support at every step of your project!
